

# **HOUSING GUIDE 2016-2017**

## **AROUND UNIVERSITAS KRISTEN MARANATHA**

**For International Students and Staffs**

Dear Our Future Students/Staffs,

We would like to help you with this Housing Guide, so you will not have any difficulties to find housing for you during your study and work at Universitas Kristen Maranatha.

These houses do not belong to Universitas Kristen Maranatha, but we believe these are the best for the international students/staffs from some point of views, such as safety, conformity and easy access from the campus (walking distance from Universitas Kristen Maranatha campus, nearby supermarket and restaurants).

We do not take any benefit at all by providing this information.

We hope you will not spend much time to look for a housing that is comfortable enough for you for your first time arrival in Bandung, Indonesia.

But we are very sorry that we do not guarantee with the availability of the rooms and the facilities inside.

We hope you enjoy your study.

Warmest regards,  
International Relations Office
